TWO INTERNED SAILORS LOSE LIVES IN DASH

Officials Believe Lieutenant
and Mate Were Drowned
In Navy Yard

CIVILIAN CLOTHING READY FOR ESCAPING GERMANS

Each Provided With Money

of Country

(ASSOCIATED PRESS TELEGRAM)

Washington, March 20.—Lieutenant Chorth and Machinist Mate Hermann Schroeder of the German interned crews at Philadelphia navy yard are believed to have been drowned last night in an attempt to escape.

Eight other men who escaped at the same time have been captured by companies of marine and the Philadelphia police. These are in addition to the seven who were reported last night as having failed to escape.

Fourteen men were concerned in the attempt to escape. Officials feel certain that the dash was known to the German officers and that the men, led by Lieut Chorth, made it with the sanction of the command. What their purpose can only be left to speculation.

In connection with the coup, it may or may not be significant, that Baron von Schoen, a former attaché of the German embassy, transferred to Mexico before the break with Berlin, recently has been reported traveling in the United States.

In the light of the present situation and all the circumstances, the presence of a German diplomatic agent aboard in the country is looked upon with some concern. The prospect of German sailors at large also is regarded with apprehension.

All the men interned at Philadelphia are to be transferred this week to Forts McPherson and Ogleshope, Georgia, where they will be kept in stockades and guarded by troops of the Seventeenth Infantry.

WAS CAREFULLY PLANNED.

(ASSOCIATED PRESS TELEGRAM)

Philadelphia, March 20.—The Philadelphia detective bureau is responsible for the statement that from three to ten of the crew of the interned German cruiser Kronprinz Wilhelm and Prinz Eitel Friedrich got away in the dash for liberty last night in which four sailors were captured. Nothing can be learned from government officials at the Philadelphia navy yard, where the two ships are interned, but the detectives insist that several men, possibly ten, are at large. They swam a distance of 300 yards across a channel to the shore.

The dash was made under cover of darkness and when search was made at daylight the police found an interesting collection of property. It included ten life preservers marked with the initials of the two cruisers, three discarded uniforms and a dagger. They also found civilian clothing enclosed in oil skin bags and this, it is suspected was placed on the shore by accomplices of the escaping men. The police say that each of the men captured had ten new \$10 bills pinned to his undershirt.

GERARD FAVORS MILITARY SERVICE; NOT FEARED HERE

New York, March 20.—James W. Gerard, former ambassador to Germany, in an address before the New York Chamber of Commerce yesterday urged his hearers to go forth as missionaries of preparedness. He said he favored preparedness because he believed that universal military service, as practiced in Germany, was the best training and discipline for a nation. The United States, he said, was just now in "an unpleasant position and unprepared for what might come."

"It is only when the military are given absolute control," he continued, "that there is any danger from militarism and there is no need to fear militarism where equal opportunity is afforded. This opportunity can be found only in civilian government and Germany is ruled entirely by a military government."

Mr. Gerard predicted that if war should come the United States would be faced with a great problem in dealing with "our alien enemy population."

"The question is," he said, "shall we intern them, as was done in Germany, or shall we allow them to roam at large, destroying bridges or anything else they can?"

CAVALRY CLASHES WITH THE FLEEING GERMAN SOLDIERS

(ASSOCIATED PRESS TELEGRAM)

Berlin, March 20 (Wireless to Salville).—There were several engagements of infantry and cavalry detachments yesterday between British and German forces in the territory on both sides of the river Somme, and the river Oise abandoned by the Germans, according to the official statement issued today by the army headquarters staff.

The French yesterday and last night directed violent attacks against the German positions on the left bank of the Meuse, the statement adds, but everywhere they were repulsed.

INTERNED SAILORS ATTEMPT ESCAPE; SEVEN CAPTURED

Philadelphia, March 20.—A dash for liberty by seven members of the crews of the German auxiliary cruisers Kronprinz Wilhelm and Prinz Eitel Friedrich, interned at the Philadelphia navy yard, was frustrated last night by marines and policemen who were on guard outside the yard. Four of the Germans were captured while attempting to swim the back channel while the other three were caught in the Meadows after swimming the icy water of the channel.

The attempted escape was discovered by a sentry on duty near the interned raiders.

Powerful searchlights from the cruiser Salween were turned upon the channel and revealed the fugitives swimming desperately for freedom. Several shots were fired over their heads and four of them turned and swam back to the sea wall, surrendering without resistance. The other three managed to reach the marshes and were captured a few minutes later by mounted police. More than \$500 in United States currency was found on two of the Germans captured by the police.

Orders have been issued by the government for the transfer of the 750 men comprising the crews of the interned ships to Forts Ogleshope and McPherson. The transfer is expected to take place later in the week.

OSCAR MURRAY LEAVES FORTUNE FOR CHARITY

Baltimore, March 20.—The bulk of the fortune of nearly \$1,000,000 left by the late Oscar G. Murray, former president and chairman of the board of directors of the Baltimore and Ohio railroad, is to be set aside to found a home for widows and orphans of employees of that road. The trustees named in the will, which was offered for probate yesterday, are directed to incorporate under the laws of Maryland a charitable incorporation to be known as the "Oscar G. Murray railroad employee benefit fund."

Thousands of dollars were bequeathed to personal friends and employees.

HOPELESS TO TRY FOR PEACE NOW SAYS NOTE

State Department Answers
Gen. Carranza's Note Re-
questing Neutrals to Act

WOULD NOT IMPEDE ANY ACTION BY OTHER NATIONS

German Plot With Mexico
and Japan One of Reasons
For Refusal

(ASSOCIATED PRESS TELEGRAM)

Washington, March 20.—The note to General Carranza, declining his proposal for neutral action to bring peace to Europe by cutting off exports of supplies to belligerents, was made public today at the state department.

The refusal was based, first on the apparent hopelessness of peace at the present time as shown in the futility of President Wilson's efforts and Germany's attempts to embroil Mexico and Japan in war with this country and in the belief that any restriction of commerce with the belligerents would in effect be an unneutral discrimination.

Nevertheless, the note concludes: "The president would not be understood as desiring to impede the progress of a movement leading to the resumption of peaceful relations between all the belligerents, and would not, therefore, wish the Mexican government to feel that his inability to act in the present state of affairs should in any way militate against the attainment of the high ideals of General Carranza by the co-operation of other neutral governments in the use of their good offices and friendly mediation to bring about the end of the terrible war."

"To render the situation still more acute, the government of the United States has unearthed a plot made by the government dominating the central powers, to embroil not only the government and people of Mexico but also the government and people of Japan in war with the United States. At the time this plot was conceived the United States was at peace with the government and people of the German empire and German officials and German subjects were not only enjoying, but abusing the liberties and privileges freely accorded to them on American soil and under American protection."

The note then takes up the proposal to cut off commercial relations with the belligerent nations and refers to the American note to Austria-Hungary to show the policy of this government in declining to stop munitions shipments.

MISSING CREW OF AMERICAN STEAMER MEMPHIS IS SAFE

(ASSOCIATED PRESS TELEGRAM)

New York, March 20.—No lives were lost in the sinking of the American steamship City of Memphis in the German submarine zone. ARMED MEN HOLD UP FREIGHT TRAIN.

[Associated Press Telegram]
Buffalo, March 20.—Armed men attacked a westbound freight train on the New York Central railroad near Athol Springs last night. The train was stopped by a block signal and the armed men suddenly appeared. Members of the train crew were covered with revolvers by two of the thieves while the others broke open several cars.

When Sheriff Stengel arrived at the scene the train had proceeded and it was impossible to learn whether the robbers obtained any booty.

MILUKOFF, RUSSIA'S MAN OF THE HOUR, IS CALLED "THE AMERICAN OF RUSSIA"

Prof. Paul N. Milukoff.

Prof. Paul N. Milukoff, revolutionary leader and Russia's new foreign minister, is widely known as a historian and an editor who always has been a very determined fighter for progress in Russia. His leadership in the revolution has given to it a genuinely American tinge, for he is imbued with many American ideas and ideals, which he studied and acquired during his lecture tour of America in 1907. He has often been huzzed by reactionaries in the duma as "the American."

Council of Ministers Will Govern Russia Until New Constitution Has Been Drawn

Petrograd, March 19, Via London, March 20.—Russia's government, it was learned at the foreign office today will rest exclusively in the control of the council of ministers until the convocation of the constitutional assembly. The duma committee having fulfilled its task as the temporary governing body during the days of the revolution will thus pass out of existence as the chief executive body of the nation and will surrender its extraordinary powers to a cabinet, whose premier, Prince Lvoff, will have the authority approximating that of the president of a republic.

It is impossible as yet to forecast with any certainty the final form the government will assume since it will depend entirely upon the collective will of the entire population to which has been extended the proclamation of the new government regarding universal suffrage.

The belief prevails in official circles that the opinion of the country will be found in favor of a republican form of government, not under a commission similar to the governing body of Switzerland. If this becomes an eventuality it is not unlikely that from the present cabinet containing the most popular leaders in the country, will be drawn the principal names for the commission which will govern the country.

In any event the old regime is dead, the foreign office today informed the Associated Press and nothing can resurrect it. If the people decide upon a monarchy it will be a monarchy of the most limited type and the monarch will be stripped of all the traditional powers which belonged to the emperor and he will be little more than ruler in name only.

The foreign office reiterated the declaration already made by the new government concerning the liberty and full rights for all the races which are component parts of the nation, and it was stated that since this was applicable to Jews as well as others, nothing now stood in the way of a new commercial treaty with the United States.

The Petrograd press, no longer under the strict censorship of the old regime, is taking advantage of its new liberty to publish facts hitherto suppressed in regard to the assassination of Gregory Rasputin, the mystic whose influence in court circles stirred the country. While the whole nation was breathing a sigh of relief at deliverance from Rasputin's malign influence the imperial family was laying away his remains, with great reverence and pomp, at Tsarskoe-Selo.

Washington, March 20.—The New Orleans navy yard was today ordered to build at once four submarine chasers. The New York yard yesterday was ordered to build sixty.

(ASSOCIATED PRESS TELEGRAM)

Washington, March 20.—Further steps to protect American lives and property against the warlike operations of German submarines are expected to take more definite form after today's cabinet meeting.

As has been the case since all official Washington acknowledged that a state of war practically exists between the United States and Germany, there is a wide range of speculation on the precise action President Wilson contemplates, but there is no official ground for any forecast.

As the cabinet convened this afternoon the sentiment was generally expressed that the United States as virtually in a state of war.

The most general opinion in administration quarters was that there was no likelihood of a declaration of war against Germany, although the probability appeared to be for a formal recognition that a state of war exists, because of Germany's acts against the United States.

Calling of congress in extra session before April 16, the day first chosen for its assembly, still continues foremost among the probabilities, but there are no indications that President Wilson had finally decided upon it. On the other hand there were some indications that the date of the session would not be advanced.

Preparations for carrying out the policy of armed neutrality to its fullest degree are being hurried in the navy department. The possibilities of their execution range even to active co-operation at sea with the British and French fleets to clean submarines out of the shipping lanes.

It was learned definitely before the cabinet meeting that the president while considering deliberately all phases of the situation, had not finally made up his mind on any forward step beyond the active preparation of the navy for any eventuality.

For the present President Wilson is taking the position that at all events the nation must be placed in a better state of preparedness because he believes that from a practical standpoint Germany is making war on this country.

Members of the cabinet before the meeting apparently were agreed that every possible step to safeguard American rights should be taken but (Continued on Page 2, Col. 6)

FISHING BANKS TO BE ESTABLISHED OFF LONG ISLAND

(ASSOCIATED PRESS TELEGRAM)

Washington, March 20.—A proposal to establish artificial fishing banks off the south shore of Long Island was approved today by the bureau of fisheries. Secretary Redfield wrote to the war department suggesting that army engineers co-operate with the bureau and New York interests in their construction. The plan is to use broken rock from the New York subway to cover the sea bed over a large area between Rockaway Beach and Far Rockaway where a small experimental ground has yielded a great quantity of fish.

The discovery of possibilities in artificial grounds is claimed by Captain John Klein, of Brooklyn. The rock is discarded from the bottom to a depth of about 15 inches. Sea growths attach themselves to the rocks and attract the fish.

SENATE REFUSES AMENDMENTS TO SUFFRAGE BILL

[ASSOCIATED PRESS TELEGRAM]

Columbus, March 20.—The senate today refused to concur in the House amendments to the Holden resolution, providing for a vote on full suffrage for women in November, 1918, and the resolution was sent to a conference committee of the two houses.

Senator Holden, author of the resolution, will urge the conference committee to recommend submission of the question this year, he said. In event the House refuses to accept the Holden proposition the question will not be submitted at all.

The Senate today concurred in the House amendment to the Shohl bill authorizing trustees of the Cincinnati Southern Railroad to issue \$20,000,000 worth of bonds for a terminal station in Cincinnati and the bill now goes to the governor for his signature.

Mayors of several Ohio cities, including Mayor Davis of Cleveland and Mayor Miller of Toledo, were expected to appeal to Governor Cox late today to veto the Terrell bill for relief of cities. Cities are not satisfied with the Terrell bill which has already passed the general assembly. It provides for paying off indebtedness by issuing deficiency bonds.

The Horn bill requiring physical examination of all male applicants for marriage licenses and known as the "Eugenics marriage bill," was on the senate calendar for action late today.

SENATE REFUSES AMENDMENTS TO SUFFRAGE BILL

Governor Cox has vetoed two bills, one by Representative Walsh of Cuyahoga county to create district park boards, and one by Senator Gilmore to authorize officials of the state board of charities to attend conferences at the state's expense.

Ohio railroad officials were appealing to administration today to pass the Hunter bill, which would increase Ohio passenger fares from two to two and one-half cents a mile.

The action of the railroad officials of the country in granting the demands of the long brotherhoods and thus averting a nation-wide strike was being used in the railroad officials as an argument in favor of the higher rate of fare.

News of Revolution Kept From Him By Officers of His Suite

[ASSOCIATED PRESS TELEGRAM]

Petrograd, March 19, via London, March 20.—The history of the last hour of Emperor Nicholas as ruler of Russia is related by a correspondent of the Ostro Rossit of Moscow as follows:

Two trains arrived at the station at Vishera (on the Moscow-Petrograd railroad 125 miles southeast of Petrograd) on the night of March 14. One train carried the emperor's suite, the second the emperor, General Baron Fredericks, ministers of the imperial house, Rear Admiral Nihiloff, General Seabel and others.

Nicholas, called from headquarters by the empress, was on the way to the Tsarskoe-Selo.

None of the telegrams about the revolution sent by President Rodzianko of the duma had reached the emperor. Every effort was made to keep him in ignorance of these affairs. General Seabel protested, declaring that if the others refused to inform the emperor he would do so. Nicholas, who had been sleeping, was awakened at 2 o'clock in the morning. He went to the dining car and demanded that Admiral Nihiloff tell him what had happened in Petrograd. He was told that a crowd of students, hoodlums and young soldiers had terrorized the duma but that a few detachments of troops would be able to put them down.

Just then Commander Voyekoff of the imperial train, entered with a telegram stating that 700 of the St. George cavalry were on the way to Tsarskoe-Selo to present a cross to the emperor and had arrived at the station of Dno, headed by General Ivanoff.

"Your majesty," said Voyekoff, "it is enough that you appear at the Tsarskoe-Selo in the midst of these horrors and with the Tsarskoe-Selo garrison, so to the duma. All the troops will remember their oath. It will be easy to overcome these young soldiers."

"It is a lie, your majesty," shouted General Seabel. "You are deceived. Read these telegrams. Here is your order: 'To the imperial train at Vishera: Do not send the train to Tsarskoe-Selo, but to Petrograd.'"

The emperor arose and exclaimed: "What does this mean? Is it revolution? Is Grekoff (who signed the order to divert the train) commander in Petrograd?"

Then General Seabel spoke out, saying: "There are 60,000 troops, with officers, backing the temporary government. Your majesty has been declared dethroned. It is impossible to go further."

Nicholas, completely non-plussed, continued: "Why was I not told before? Why tell me now when all is finished?"

After a moment he added with a gesture of helplessness, "Let it be so. Thank God, I will abdicate if that is what the people want. I will go to Livadia (the estate of the Russian imperial family on the south coast of the Crimea), to my gardens. I am so fond of flowers."

The train moved toward Bologie. At Dno a telegram was received stating that the Tsarskoe-Selo garrison had revolted and that the empress had appealed to the duma for protection. Nicholas pondered the situation, and said: "I shall go to Moscow. Mrozovski (commander of the Moscow garrison) used to say Moscow always would defend me."

At Bologie he received a telegram stating that the Moscow garrison had joined the revolution. The train returned to Dno where it met the train bearing General Ivanoff. The general related everything which had taken place, adding: "There is only one thing to do now. It is to open the Dvina front to the Germans and let them quiet the 'Canille'."

Nicholas rejected the suggested, exclaiming angrily: "I shall never become a traitor to my country."

Then Nicholas broke down and wept. After a moment he said: "If I only knew my wife and children were safe I should go to Livadia quietly to finish my life and let Michael govern the country. He is liked by the people. I will sign my abdication and then go back to the army, my good-bye to the soldiers and let them do as they like. I shall not stand in the way."

The last colloquy occurred on the train platform. Nicholas, who was escorted by a soldiers' unit, with a general, a colonel, a captain and a major, was told back frequently, he was told in a respectful manner and then accompanied the step of his car. The train moved off.

were not sure whether anything would be gained by advancing the date of the extra session of congress. The president is known to believe that the objects he has in mind—the establishment of a league to preserve future peace—has been set far forward by the revolution in Russia. The murmurings against autocracy in Germany are also being considered.

No doubt now remains in the minds of most officials that unless there is some outlook for change before congress meets, the president will open the extra session with an address making clear the new position into which he feels the United States has been forced by Germany's ruthless disregard of American rights. He may discuss universal military training.

The indications before the cabinet assembled were that there would be no change in the situation before tomorrow, although it was possible that discussion at the meeting might lead the president to act at once.

Administration officials believe the nation is already virtually in a state of war with Germany and the only question undecided is whether there shall be any immediate announcement of that status through a new call for congress or otherwise.

Sixty submarine chasers, 110-foot speed craft, were ordered from the New York navy yard to be completed in about two months, and bids for 200 more will be opened by the navy department tomorrow.

The naval academy was ordered to graduate the senior class March 23, and the junior class in September, so that 374 more junior officers may be available speedily.

The president authorized expenditure of the \$115,000,000 emergency fund provided by congress to speed up construction of warships, and suspended the law limiting labor in plants doing government work to eight hours a day.

Navy officers prepared plans for calling out privately owned motor boats offered by their owners for coast patrol work, and for manning the two thousand submarine chasers or patrol boats which it was estimated would be ready for action within four months.

It was thought the president might make some announcement after today's cabinet meeting whether he expects to call congress in special session before April 16.

The department has called upon all navy yards fitted to undertake small boat construction, to submit estimates as to the number of submarine chasers they can turn out quickly. It is possible that the construction of 150 or 200 chasers may be provided for in this way, in addition to 200 or more to be ordered tomorrow from private builders.

The chasers are designed to do 35 knots an hour, and will be equipped with triple propellers and a fuel capacity for long cruising radius.

DESCENDANTS OF SLAVES FAIL TO RECOVER LAND

Supreme Court Holds Title Lost By Statute of Limitations

JOHN RANDOLPH'S WILL FIGURED IN THE SUIT

Property In Mercer County Bought For Slaves Was In Litigation

[ASSOCIATED PRESS TELEGRAM]

Columbus, March 20.—Descendants of the Manumitted slaves of John Randolph of Roanoke, Va., lost their suit to gain possession of land purchased for them in Mercer county, Ohio, in 1846, today when the supreme court sustained the lower courts of Mercer county which held that the 21-years statute of limitation and adverse possession of the lands by others barred the right of action.

John Randolph of Roanoke was a statesman of national prominence and when he died in 1833 he provided in his will for the emancipation of his 200 slaves and set aside \$8,000 for the transporting and settling of them in some other state or territory.

The item in his will read: "I give and bequeath to all my slaves their freedom, heartily regretting that I have ever been the owner of one."

The slaves were provided that all of the slaves above 40 years of age should have 10 acres of land.

In carrying out the provisions of the will, the executor, William Leigh, purchased an 80-acre tract of land in Mercer county, Ohio, for the settlement of the slaves. They were shipped down the Ohio river to Cincinnati and by canal boat to New Bremen, where the whites of Mercer county met them and forbade their settlement in Mercer county.

They settled in Miami county near Piqua instead and the Mercer county land purchased for them was subsequently sold by Joseph Plunkett to whom Leigh had executed power of attorney.

No attempt was made to return the land for the emancipated slaves until 1917 when Joseph Moton and Yonah, negro descendants of the Randolph slaves began an action against Gerhard Kessens and others, present owners of the land. They represented to the court that because their ancestors were not capable of knowing their rights they had not asserted them and therefore the statutes of limitations did not apply. They set up in the petition that no accounting had ever been made of the money derived from the sale of the lands.

The original will of John Randolph was destroyed when the court house at Richmond was burned in April, 1865, at the evacuation of the city of Richmond, during the Civil war but copies of it are on file in the records of Mercer county, Ohio.

DEATH OF ARTHUR G. HUFF.
Arthur G. Huff, died this morning at the City Hospital at 7 o'clock, death being due to Bright's disease. He was born at Staunton, Va., July 27, 1876, and came to this city about ten years ago, being united in marriage shortly after to Mrs. Stella McDaniel, who is also seriously ill at the hospital. He is survived by his mother at Staunton and several brothers and one in Canada. He was a member of the Masonic and Odd Fellows fraternities in this city and the Carpenters Union. The funeral will take place Thursday morning from the home, 212 North Gay street and interment will be made in Cedar Hill cemetery.

OFFICIAL APOLOGIZES FOR ORDER TO TAKE FLAGS FROM WINDOWS

[ASSOCIATED PRESS TELEGRAM]
Fort Wayne, Ind., March 20.—Intense feeling has been caused here by the action of William C. Schwier, president of the Allen county board of commissioners, in ordering American flags removed from the windows of the county recorder's office in the courthouse, where they had been displayed by E. H. Bookwalter, county recorder and his deputies in preparation for a public reception to Fort Wayne's two companies of national guards just back from the border.

Recorder Bookwalter says Commissioner Schwier told him the flags "might offend some one" but the commissioner insists that his reason was that the display of the colors might incite some crank to commit an outrage against the courthouse, as was supposed to have been done recently by a bomb thrower in Boston.

Patriotic societies have taken up the incident. The commissioner made a public apology in the newspapers here today for "any act of his that may have seemed to degrade the flag."

SEEK DIVORCES.
Two divorce petitions were filed in probate court today. Clark A. Parker asks for a divorce from Mary May Parker. They were married April 1, 1903. The grounds of the petition are willful absence for more than three years last past. Mary Wilson asks to be divorced from William A. Wilson. They were married in May, 1916. Gross neglect and extreme cruelty are alleged. She also charges that he frequently assaulted her and threw her out of the house.

It's toasted

As you bite into your crisp slice of morning toast, give it an extra thought. Think how delicious it is; freshly-made, buttered hot.

Toast is an everyday matter, of course, but one of the real things you have to be thankful for.

Now you're ready for the special idea on this delicious new Lucky Strike cigarette. The tobacco—it's toasted; and doesn't that give it a flavor though? Well, *you know!*

We've been working for five years to make a cigarette out of Burley tobacco. It's "blame good" tobacco; and you smokers have shown us how strong you were for it.

Last year you poured sixty million pounds out of those green, red and blue tins. That's enough for 35 billion cigarettes—against about 21 billion ready-made cigarettes sold in 1916. Considerable Burley enthusiasm!

Big discoveries are simple ideas

Until we went back to the toasting fork and old kitchen stove, to the simple idea of hot buttered toast, a ready-made Burley cigarette wasn't possible. The Burley flavor didn't hold. But now it does.

Now Lucky Strike—the real Burley cigarette

It's toasted—and the flavor holds. It's toasted—the result is delicious, full of flavor. Keep thinking of that hot buttered toast—and try a Lucky Strike cigarette today.

As a courtesy for the compliment paid them when they were entertained recently at the banquet of the members of the Wednesday Afternoon Sewing club, the husbands of the members were hosts at a delightful dinner party at the home of Mrs. J. H. Cosner on Monday evening. The tables were arranged in the private dining room, and center clusters of carnations and hyacinths in the color scheme of red and white were used and at each plate were found favors of carnations.

An elaborate five course dinner was served, and Mr. Cary Bricker presided as toastmaster. Mrs. Harvey Leist gave a toast to the club and Dr. P. H. Cosner toasted "The Ladies." Following the menu the party was entertained at the home of Dr. and Mrs. P. H. Cosner in West Main street where the men gave a mock trial for "A Breach of Promise."

Those who spent a delightful evening were: Mr. and Mrs. Cary Bricker, Mr. and Mrs. John Lippincott, Mr. and Mrs. Thomas Coulter, Mr. and Mrs. C. L. V. Holtz, Mr. and Mrs. Harvey Leist, Mr. and Mrs. David Klingery, Mr. and Mrs. John Richards, Mr. and Mrs. Harry Wiley, Dr. and Mrs. P. H. Cosner, Mr. and Mrs. Clifford Frye, Mr. and Mrs. Harry Rogers, Mr. and Mrs. Henry Pfeiffer, Mr. Joseph Renz.

On Friday evening at the home of Rev. and Mrs. M. O. White, about 60 members and friends of the Tenth Street U. B. Christian Endeavor society, enjoyed a delightful evening. It was an Irish social in honor of St. Patrick, the color scheme of green and white being carried out in the decorations throughout the rooms and also in the refreshments. Contests in keeping with the occasion, also Irish songs and jokes furnished amusement for the jolly crowd.

"One in eight of all babies born in the United States dies before he is twelve months old," is a startling statement made by Allene Tupper Wilkes in an article in the May Mother's Magazine. The cure for this, according to the author, is for more people to take part in the Baby Week features and to learn the results of scientific experiments which have been made by thoughtful men and women who have made a life study of the little and great things concerning babies.

"Investigating scientifically, these men and women have recorded the results of innumerable experiments; conclusions have been carefully drawn, indexed and cross-indexed so that mothers may benefit for the mere asking and all may have a system, an orderly method to follow in rearing their children from babyhood to maturity.

"To appreciate the necessity for a nation-wide campaign requires only a moment's thought—a moment in which to examine the distressing proof that mothers, despite their love, despite their willingness to do all they can for their young, often fail woefully short. And it is a pitiable fact that the more ignorant the mother the more stubbornly she persists in following methods which have been proved unwise. She makes her baby the subject of one experiment after another—she tries this and that—when the experimental stage of baby care is past. And the result is that one in eight of all babies born in the United States dies before he is a year old. National Baby week will be celebrated in May. 34 states participating. The celebration is directed by the federal children's bureau.

On the club day a number of the members of the Monday Talks and their guests were entertained at the home of Mrs. Robbins Hunter in North Buena Vista street. Sweet peas and pink roses in profusion adorned the rooms, and in the dining room where Miss Robbins, Miss Jesse Robbins and Mrs. L. P. Franklin poured, the same flowers were used.

The club program included: On Ship Building—Mrs. E. V. Renfrew. Seeing Philadelphia—Mrs. Fred Seymour.

In the Days of "The Rainbow" and "The Flying Cloud"—Mrs. Sarah Rosenthal. The guests of the club were: Mrs. Perry Rank of Chicago, Mrs. Eagleston of Granville, Mrs. Daniel Atchison, Mrs. E. C. Wright, Mrs. George D. Tyson, Mrs. William Webb, Mrs. Forshard, Mrs. Linda R. Thomas, Mrs. Ella Undergraff and Mrs. Charles Hollander.

The next meeting will be at the home of Mrs. L. P. Franklin. Miss Clotilde Howard and Miss Marion Collins entertained the members of the Phi Beta Chi sorority on Monday evening at the home of Miss Howard in Clinton street. The hostesses complimented Miss Martha

Sachs, a member, who has just returned after several months spent in the Isle of Pines. A dainty luncheon was served the members and one guest, Miss Lois Barnett of Zanesville.

On Thursday afternoon Mrs. Charles Spees of Maple avenue delightfully entertained the members of the Isoleta club, and Mrs. George Glaunsinger, Mrs. Clifford Roney, Mrs. John Klaus, and Mrs. Charles Eichorn were guests of the club. In an interesting contest the souvenirs were awarded to Mrs. James Neuner and Mrs. N. E. Vanatta and Mrs. Charles Eichorn the guest's favor. An appetizing luncheon was served after which they adjourned to meet with Mrs. A. M. Cornell, 57 North Buena Vista street, March 23.

The banquet and dance to be given by the Licking County Society of the Scottish Rite at Masonic Temple, Thursday evening, March 22, will be complimentary to members and ladies, the event being arranged out of the funds of the society. The banquet will be given at 6:30 followed by an evening of dancing.

PRACTICAL HEALTH HINT.

Grip Germs.

The germ of grip grows in the mouth, throat and bronchial tubes. It is spread in the same way that diphtheria and pneumonia germs are scattered. Grip germs sometimes linger as long as a year in the air passages of those who have had the disease. They are often found in the bronchial tubes of convalescents and of persons who suffer from bronchitis. The germ is easily killed by drying and in nature does not grow outside the human body.

There is usually great carelessness about disinfecting the sputum of grip victims. The germs are therefore spread everywhere. Every care should be taken to avoid the germs. The hands, dishes and handkerchiefs of a grip patient should be carefully disinfected.

Aged and weak persons should be guarded with special care from the germs.

Funeral of Child. The funeral of Mary Elizabeth Moore, little daughter of Mr. Herbert Moore of Akron, was held at the home of the grandparents, Mr. and Mrs. George Platto in West Church street, this afternoon at 2 o'clock. Rev. Don Tullis officiated and interment was made in Cedar Hill cemetery.

Mrs. Margaret O'Neil. The funeral of Mrs. Margaret O'Neil of Hanover was held at 9:30 o'clock Tuesday morning at the Church of the Blessed Sacrament, the pastor Rev. Father Charles Waterson officiating.

Mrs. George Stover. Sadie A. Stover, wife of George Stover, died at the home in Twentieth street, Tuesday morning at 7 o'clock, aged 37 years, three months and 11 days. She was born near Frazzysburg, Muskingum county, and was the daughter of Mrs. Elizabeth Bryan of Irish Ridge, Muskingum county.

The deceased is survived by her husband, one daughter, Katherine, aged three years, and one daughter preceded her in death; also one brother, James R., and four sisters. Misses Maggie and Vernie Ervin of the home, Mrs. Howard Little and Mrs. Andrew Sanford of Dresden.

The funeral services will be held on Wednesday afternoon at 1 o'clock at the West Newark Christian church, Rev. Mr. Lytle officiating. Interment at Cedar Hill.

Card of Thanks. I wish to thank the friends and neighbors for their kindness and sympathy shown at the death of my brother, F. W. Klett. I wish also to thank the people for their beautiful floral offerings, the singers and Rev. A. B. Cox for his consoling words. 3-20-17 MRS. W. G. KILLWORTH.

Outside the House.

How many beautiful houses on which money has been spent lavishly to make them complete are marred by some defect in the landscape work! A few hours' motor trip through the suburbs of almost any city in the country will reveal many such cases. The most frequent jar the trained eye receives is from the poorly laid out walks and driveways in which badly arranged curves are used or walks made to curve around an oval grass plot placed in the center for no other reason than to make pedestrians take time to circle about that particular grass plot. Postmen, messenger boys and others take a short cut, and soon a path in the proper direction is worn across the sod. When a curve is used in a walk or driveway there should be a reason for it. If there is no other reason plant one; place a tree or two or shrubs in a position so the curve will seem necessary. People then will keep on the walk, and the plan will seem reasonable.—New York Sun.

FOR BIRD LOVERS.

Hints About the Care of Your Canary Each Day.

Canary birds are a joy when they sing and such comfort for a home-maker when she is alone, but they surely make a great deal of muss. Most women find that the cages really should be cleaned every day and the floor under which they hang brushed at the same time. If several pieces of paper cut the shape of the bottom of the cage are used the cage will only have to be cleaned once a week.

Each day lift the top piece of paper out, and the next piece will be spotless. A good plan which bird lovers often use is to make a bag for the cage. This bag may serve a double purpose if wanted. Make it long enough to fit the entire cage, so that it may be tied all over at night to protect the bird from the glaring light and cold. In the day this same cover may be tied about the middle of the cage. It is held in place by a drawstring. This prevents the bird from throwing the seeds on the floor. Marquisette and dotted swiss are good materials for this purpose.

To Have Clean Beautiful Hair

The best thing to use is Kreamol, a liquid which you can get at almost any drug store.

A small amount, only one or two teaspoonfuls will cleanse the hair and scalp thoroughly.

Simply moisten the hair with water, rub in a little of Kreamol, massage well and then rinse in clean water. The hair dries quickly and evenly, and is fresh looking, bright, fluff, wavy, and easy to handle. Besides, it loosens and removes the dust, dirt and dandruff.

Do not use cheap soap or cheaply prepared shampoos if you want to keep your scalp clean and the hair soft and beautiful.

You will find Kreamol very inexpensive as a four ounce bottle will be sufficient to last every one in the family many weeks.—Adv.

Kreamol is sold at Evans' Drug Store (Warden Hotel Block), Newark, Ohio, and Ullman's Drug Store, Granville, Ohio.

Woman Champion Favors Wrestling As Best Form of Healthful Exercise For Her Sex

CORA LIVINGSTON
Champion Woman Wrestler

YOKEL WANTS TO PLACE BOWSER ON DEFEATED LIST

Mike Yokel, appearing here Friday night in a match with Paul Bowser, has a reason for wanting the return match and a victory. That reason is the simple fact that Bowser is one of the very few wrestlers known to the mat game, whom he has not defeated.

In his wrestling career, Yokel has met and defeated Stanley Karp, our old friend Al Ackerman, Farmer Burns, Walter Miller, Henry Ghering, Walter Willoughby, Henry Irisinger, John Kilonis, Peter Goulette, Jack Ozar and others. Note that Bowser's name is not among them. He has been defeated by Pet Brown, Joe Turner, Paul Bowser, Henry Ghering.

He has not defeated Billy Schober, Frank Gotch and Joe Stecher. His match with Schober, just last week at Battle Creek, Mich., went 2 hours and 45 minutes when the police rescued Schober. About the time Bowser was on his eastern trip, Yokel and Turner wrestled a three-hour draw.

All these things indicate that Yokel is not in the discard by any means and that he will no doubt give Bowser a hard tussle.

He got the first fall in his meeting with Bowser here more than a month ago, but in taking the second fall, Bowser bumped the western man's head severely and he came back in a dazed condition. Bowser easily got the third fall.

Other preliminaries besides the Cora Livingston-Grace Brady exhibition will be offered for the fans' entertainment.

WRESTLING A PANACEA FOR MANY ILLS SAYS CHAMPION OF WOMEN

"If women would adopt wrestling as a regular exercise and practice it diligently," they would be free from many ills which make their life a burden at times," declares Cora Livingston, who will appear in a physical culture demonstration with Grace Brady next Friday night as a feature of the Bowser-Yokel wrestling bill at the Auditorium. Miss Livingston a few years ago

was a semi-invalid, due to an accident. Physical culture was recommended by physicians as the only means of relief. Mechanical devices in the gymnasium soon lost their attraction for her in spite of the fact that it meant possible health. She chanced to see the gymnasium instructor giving a lesson in wrestling one day and was struck with the idea that it furnished the ideal form of physical exercise. She took up wrestling, soon regained her strength and much better health than she ever enjoyed. Not only that but she became so proficient that she met and defeated the champions of three countries, America, England and France. For years she wrestled every day and sometimes twice a day while on a vaudeville circuit.

KENYON-DENISON TURKEY DAY GAME PLAYED IN NEWARK

One of the big football treats of the 1917 season will be offered in Newark, on Thanksgiving Day, when Denison and Kenyon hook up in the first of a series of Turkey day contests.

The plan for a Thanksgiving game between these two strong teams has been hanging fire for several seasons and only recently the Kenyon management decided to take on Denison's Big Red gridiron warriors for a season-ending contest. Particular interest attaches to the game because it is the first time Denison and Kenyon have met in football since the Ohio Conference was reorganized. Denison has played a brand of football in recent years that makes Livingston's gridiron athletes a favorite over the wearers of Kenyon's mauve, but the Gambierites have splendid prospects for 1917 and those who know predict a hard-fought battle.

The plans for the Denison-Kenyon game in Newark are in the hands of a joint committee of alumni of the two schools, consisting of Carl Weiant and M. H. Baker, for Kenyon; and C. H. Spencer and J. Howard Jones, for Denison. The Newark Chamber of Commerce and the Rotary Club are boosting the plans for the game, and it promises to be one of the big events of next fall's Ohio Conference race.

TRUCK CHASERS DRAW FINES IN MAYOR'S COURT

The sport of chasing fire trucks in automobiles and on motorcycles will be unpopular in the future, since the police department corralled a half dozen drivers yesterday afternoon following the alarm from Union and Wilson streets. The "truck chasers" were haled before Mayor Bigbee and fined \$10 and costs each. When the alarm sounded and the truck from headquarters started for the fire, a flotilla of cars took up the chase. The police patrol followed and blockaded the Wilson street bridge and ordered the offenders to report to the mayor.

DETROIT TEAMS ROLL AGAINST BIG SCORE

(ASSOCIATED PRESS TELEGRAM)
Grand Rapids, Mich., March 20.—Twenty-three Detroit teams will roll tonight against the 3,061 total that now promises to carry off the team honors of the American Bowling Congress tournament here, after the failure of the powerful squad that shot on the final shift last night. Teams from Chattanooga, Lexington, Chicago and Bucyrus, O., also are scheduled to roll, and some big marks are expected, although the York Brothers' lead is regarded as almost certain to carry off the five man prize.

RIVERS GIVES O'LEARY UNMERCIFUL BEATING

Columbus, March 20.—Jose Rivers of California, gave Johnnie O'Leary of Buffalo, an awful lacing at the Coliseum last night, having him all out but the count when Referee Hughes stopped the battle about the middle of the eleventh round. At

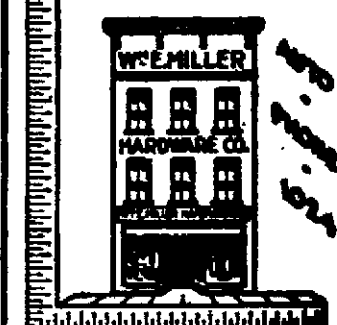

the time O'Leary was hanging helplessly on the ropes, with Rivers mauling him with right and left, and the ropes held him up or he would have gone to the mat to be counted out. Hughes showed good judgment in his action, as it was plain that O'Leary was through. Notwithstanding the fact that he took an awful lacing, the Buffalo scrapper never dogged it for a minute, and was trying every inch of the road, but he was no match for the Mexican who hit him wherever and whenever he wanted to. O'Leary's punches lacked steam, and it is doubtful if a single blow that he landed had any particular effect on Rivers.

Thus prepared, you have a pint of really remarkable cough remedy—one that can be depended upon to give quick and lasting relief at all times.

You can feel this take hold of a cough in a way that means business. It loosens and raises the phlegm, stops throat tickle and soothes and heals the irritated membranes that line the throat and bronchial tubes with such promptness, ease and certainty that it is really astonishing.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, combined with glycerine and is noted for its speed in overcoming severe coughs, throat and chest colds. Its millions of enthusiastic users have made it famous the world over.

There are many worthless imitations of this noted mixture. To avoid disappointment, ask for 2½ ounces of Pinex with full directions and don't accept anything else. A guarantee of absolute satisfaction or money promptly refunded, goes with this preparation. The Pinex Co., Ft. Wayne, Ind.

Simple Way To End Dandruff

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common liquid arvon from any drug store (this is all you will need), apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

POLICE SALARY LEGISLATION IS AGREED UPON

CITY PLANNING BOARD FALLS BY THE WAYSIDE

Council Gives Chief \$115, Sergeant \$95 and 13 Patrolmen \$75 to \$85

Solicitor Asks Committee to Confer On New Electric Light Rate

Newark councilmen now believe that they have settled the much argued police salary question. At last night's meeting the bill was passed, fixing the number of salaries of the members of the police department. Two members of council opposed the new bill but it found enough supporters to "put it across." The bill grants a slight increase over salaries fixed in ordinances under consideration heretofore, though no change was made in the stipend for the police chief or the regularly employed patrolmen. The sergeant of police gets \$5 more a month.

Council also knocked in the head the plans of those supporting the movement for a city planning commission. The sentiment expressed by Dr. Shirer, that a sleeper in the bill suggested the expenditure of money for engineers, architects, etc. seemed to prevail. The vote of this bill was five to four.

The matters were pretty well thrashed out in a caucus which lasted for nearly an hour before council went into open session. That the argument waxed warm in the caucus was indicated by the sounds of voices raised to a high pitch which penetrated the walls of the clerk's office where, behind locked doors and drawn curtains members of council decided the fate of the measure.

Council concluded the lengthy caucus at 8:20 and started in on the business on the clerk's table. All members were present.

The Licking County bank and Trust Company offered 2 1-8 percent interest on city funds and the First National Bank 2 1-10 percent, according to the report of the finance committee.

Service Director Christian reported that all street light machinery had been installed and was successfully in operation. Already 50 more lights than last year are in operation and 200 more will be added from time to time. The director also submitted a report recommending the installation of a garbage incinerator to take care of garbage, oil and dead animals.

City Auditor Dodd's report showed the city's receipts from the county in the semi-annual tax settlement. The amounts follow:

General Corp. Fund...	\$ 2360.92
Special Ass. Taxes	2124.92
Liquor Tax	18761.26
Public Health Fund	2218.37
Public Safety Fund	25084.84
Public Service Fund	23019.04
Public Library Fund	1032.90
City Hospital Fund	885.35
Collateral Inherit. Tax	2122.87
Sinking Fund	39102.84

The above amounts less previous advancements have been placed to credit of the various funds.

The canvassing board of elections reported the official count in the recent election. The vote was: Yes, 969; No, 1107.

The annual reports of the City Hospital, heretofore published were submitted to council and placed on file.

Ballard avenue residents asked council for a change of grade along that street.

Oliver D. Irwin and others representing 500 feet of property have filed a protest against the paving of South Buena Vista street.

The Brown Realty Company asked council to improve the short road-way from Second street to the B. & O. freight house along the canal.

The A. H. Heisey Company asked council to authorize a sidewalk on Railroad grounds from Oakwood avenue to Cedar street. The Pennsylvania railroad company has granted the right to construct the walk along the railroad.

An ordinance fixing the number and salaries of members of the police department was offered by each of the ward councilmen. The ordinance shows a slight increase over former ordinances. It provides for one chief at \$115 per month; sergeant, \$95; station-house keeper, \$85; male operator at headquarters, \$75; two patrol drivers (with police licenses) \$75; thirteen patrolmen, \$75 for the first year, \$80 for the second year, and \$85 for the third year of service. The bill provides for 12 days' vacation each year, with pay and one day's vacation each month. Substitutes and extra men will draw \$2.50 per day. The measure was passed on suspension of rules. Messrs. Krauber and Seward opposing it.

A supplemental appropriation ordinance giving the health department \$200 for quarantine purposes, and \$50 for food supplies was passed on suspension of rules.

The ordinance fixing police salaries and one regulating shade trees were withdrawn.

The city ordinance providing for a city planning commission was given its third reading. Mr. L. T. Tannehill talked at length in favor of the bill. When put to a vote it was lost by a 5 to 4 vote. Messrs. Adams, Alexander, Keyes and Krauber supported it while Messrs. Beadle, Curry, Seward, Shirer and Stasel voted against it.

A resolution by Mr. Beadle for a sewer in Garfield avenue, was adopted. His resolution for a sewer in Arlington avenue was adopted. Mr. Alexander's resolution granting permission to erect the tabernacle on the canal property in the rear of 107 West Main street, was adopted. Mr. Keyes' resolution awarding city funds to the Licking County Bank and Trust Company was adopted. Dr. Shirer's resolution authorizing the safety director to pay Mrs. Mable Rice's hospital bill, when she was sent to the Sanitarium after shooting herself, while confined in the city prison, was adopted. The amount of the bill is \$31.

Solicitor Norvell advised council that the present rate agreement with the Ohio Light and Power Company expires next fall. He recommended a committee to draw up a new rate agreement.

DRIVES DOG TEAM OVER MOUNTAIN RANGES TO ATTEND CHURCH MEET

Dr. S. Hall Young, author, lecturer, and a pioneer in the life of Alaska, will deliver an illustrated stereopticon lecture on "Life in Alaska," at the Second Presbyterian church tonight at 7:30 o'clock. The lecture is free to all. Dr. Young at one time drove 500 miles on a sled pulled by his dogs over three great mountain ranges to attend a meeting of his Presbytery. He has a thrilling story of pioneer life in the great west. Dr. Young is the author of two very popular books published in the last few years, "Alaskan Days With John Muir," "The Klondike Clan."

SPRING CLEAN-UP WEEK STARTS MONDAY, APR. 2

Newark's annual clean-up campaign will be held the first week in April.

The date was selected yesterday after a conference of the civic bureau of the Chamber of Commerce with Service Director Christian. The director agreed to appropriate \$500 from his street fund with which to hand away rubbish.

The city will be divided into six districts. All the teams will be placed in one district each day and the accumulations of that district will be disposed of before another district is entered.

At the conference yesterday were Superintendent of Schools Hawkins and W. E. Hopkins, director of the Public Welfare Bureau. The school children, the Civic Association of the High school, Boy Scouts and other organizations have promised their support in the campaign.

TWELVE NEW MEMBERS CHAMBER OF COMMERCE

At a meeting of the board of directors of the Chamber of Commerce last night twelve persons, favorably endorsed by the membership and finance committee were elected to membership. The new members are Dr. Earl J. Russell, J. F. and Edward Drumm, John A. Childs, E. A. Johnson, Dr. George W. Bourne, Dr. A. V. Davis, George T. Streams, R. V. Weakley, R. A. Lindemuth, and W. H. Conley.

The directors gave the committee a vote of thanks for their activity. The committee has brought in 65 new members.

CHAPLIN CONTEST FOR NEWARK BOYS SATURDAY

Saturday will be Charlie Chaplin day in Newark. This is one of the features of Dress-up Week that will be looked forward to by the kiddies with great interest. At 1:30 o'clock Saturday morning there will be a Chaplin parade led by the Boy Scouts, followed by the kids. The prizes for the best made-up boy are worth while, and are as follows: First, \$3, and 20 theatre tickets; second, \$2 and 10 theatre tickets; third, \$1 and 5 theatre tickets. Judges will be located on the route of the parade. After the parade all boys in costume will be the guests of Manager George M. Fenberg of the Auditorium theatre in the afternoon to see the real Charlie Chaplin perform.

The Boy Scouts will be awarded \$5 for their treasury, and will be extended the same courtesy by Mr. Fenberg at the matinee on Saturday.

GAINS 24 POUNDS THROUGH TANLAC

A. W. RYAN SAYS IT PUT HIM BACK IN GOOD SHAPE AGAIN

GETS HIS APPETITE BACK.

"I weighed 122 pounds when I began taking Tanlac and I now weigh 146, which means I have gained 24 pounds," said A. W. Ryan, 232 Union street.

Mr. Ryan is 55 years old and has spent most of his life right here in Newark. For more than ten years he has worked for the Morgan and Tenney warehouse company, and he numbers his friends by the hundreds.

"The trouble with me was that my stomach was out of order," he continued. "Food didn't digest right. It seemed to just lay heavy in my stomach and bitter tastes came up in my throat. Gas caused me to belch."

"It didn't seem to make much difference what I ate, I felt just the same. My back seemed weak and I was restless and nervous. At night it would be hours before I could get to sleep."

"In the mornings I got up feeling tired and worn out. What sleep I got didn't rest me. Specks floated before my eyes, and I'd get dizzy."

"I had heard so much about Tanlac that I decided to try it. I hadn't been taking Tanlac a week when I began to feel better."

"I can eat anything I want now, and never have any heavy bloated feeling afterward. My sleep rests me and I don't lay awake the way I used to. My back is strong, and I don't have those bad tastes come up in my throat any more. That tired feeling has left me, and I feel better than I have for years."

"I am glad to tell the home people here in Newark how Tanlac helped me, for I know that it will help anybody who feels the way I felt."

If you don't feel right get Tanlac today at the W. A. Erman & Son's Original Cut Rate Drug Store. Don't put it off.—Advertisement.

Prof. Hertzog Praises This Perfect Laxative

Dr. Caldwell's Syrup Pepsin an Ideal
Remedy for Constipation.

In every family there is more or less occasion for a laxative remedy. It is to meet this need that Dr. Caldwell's Syrup Pepsin is prepared, and that this combination of simple laxative herbs with pepsin fulfills its purpose is proven by its place in thousands of American homes.

Prof. F. J. C. Hertzog, the well known linguist, 2341 North Orianna St., Philadelphia, Pa., wrote to Dr. Caldwell that he has used Dr. Caldwell's Syrup Pepsin in his household with excellent results and that he and his family consider it indeed a friend in need, and always keep a bottle of it on hand.

Constipation is the direct cause of much serious illness and is a condition that should never be neglected. Harsh cathartics and violent purgatives should never be employed to relieve constipation, because the very violence of their action shocks the entire system. A mild laxative such as Dr. Caldwell's Syrup Pepsin is far preferable, being mild and gentle in its action, without griping or other pain or discomfort; its freedom from all opiate or narcotic drugs makes it an ideal remedy for children.

Dr. Caldwell's Syrup Pepsin is sold in drug stores everywhere for fifty cents a bottle. To avoid imitation and ineffective substitutes be sure to get Dr. Caldwell's Syrup Pepsin. See that a facsimile of Dr. Caldwell's signature and his portrait appear on the yellow cartoon in which the bottle is packed. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 455 Washington St., Monticello, Illinois.

TWO LICKING CO. BOYS FINISH COURSE IN AGRICULTURE

Having completed the work in the three-year agricultural course at the College of Agriculture, Ohio State University, Columbus, Frederick Harold Wells of Croton, Willis S. Doran of Pataskala, received certificates on last Friday, when 62 Ohio farm men and boys composing the first senior class in the short agricultural course were graduated from the University.

Wells and Doran will be at home on their fathers' farms after April 1.

Of the 62 receiving certificates, 52 will operate or manage farms, 6 will direct cow testing associations and 4 will enter the vegetable gardening business. The graduate range in age from 20 to 30 years.

The three-year agricultural course was started in October, 1914, and now has an enrollment of nearly 250. It opens about the middle of October each year and closes during the third week in March, allowing the students to engage in farm work during the summer months. One of the requirements of the course is that each student must work out a project on their home farm during the course; this generally consists of a drainage project, cow testing and feeding, the building of barns, houses, hog barns, poultry houses and concrete structures.

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets.

These pleasant little tablets do the good that calomel does, but have no bad after-effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place.

Most headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "lousy" and "heavy." Note how they "clear" clouded brain and how they "perk up" the spirits. 10c and 25c a box. All druggists.

your toes in bandages, to look like bunions, who have used salves that turned your toes raw and sore, and used plasters and would shift from their places and never "get" the corn, and who have dug and picked at your corns with knives and scissors and perhaps made them bleed—just quit these old and painful ways and try "Get-It" just once. You put 2 or 3 drops on, and it dries at once. There's nothing to stick. You can put your shoe and stocking on again. The corn is all gone. Then the corn dies a painless, shriveling death. It loosens from your toe, and off it comes. "Get-It" is the biggest selling corn remedy in the world today. There's none other as good.

"Get-It" is sold by druggists everywhere. 25c a bottle, or sent on receipt of price by E. Lawrence & Co., Chicago, Ill.

Sold in Newark and recommended as the world's best corn remedy by T. J. Evans and W. A. Erman.

More Rheumatism Than Ever Before

Clergymen, Lawyers, Brokers, Merchants and Merchants Stricken.

Our old friend Rheumatism is having his inning this year, and a few words of caution from one who knows all about it may not be amiss. Wear rubbers in damp weather; keep your feet dry; drink plenty of lemonade and avoid strong alcoholic drinks.

Rheumatism gets you or sciatica, and you have sharp twinges gnawing pain or swollen joints or muscles, you can get rid of all agony in just a few days by taking one-half teaspoonful of Rheuma once a day.

All druggists know about Rheuma: it's harmless, yet powerful; cheap, yet sure, and a 50-cent bottle will last a long time. Ask T. J. Evans or any druggist.

HOW TO BE RID OF DISGUSTING DANDRUFF

The only way to get rid of disgusting, untidy dandruff is to correct its cause. Shampooing merely cleanses the scalp for a few days, then the scales form again as thick as ever.

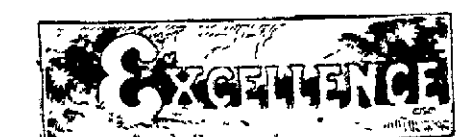

To destroy the dandruff germ and get rid of the dandruff for good, part the hair and apply a little of the genuine Parisian Sage directly on the bare scalp and rub it in with the finger tips until absorbed. You will surely be amazed at the result, or even one application for your hair and scalp will look and feel 100 per cent better.

Only a few days' massage with Parisian Sage should be needed to destroy the germs that cause the dandruff to form. The scalp becomes healthy, the hair will grow better and show more life and vitality and you should no longer be troubled by dandruff. Faded, dull or lifeless hair is quickly restored to beauty by this simple process, which is absolutely harmless and will not stain the hair or make it greasy.

Parisian Sage can be obtained from W. A. Erman and druggists everywhere. It is not expensive.—Advertisement.

OXIDAZE FOR ASTHMA AND BRONCHITIS

Brings quick relief. Makes breathing easy. Pleasant to take. Harmless. Recommended and guaranteed by W. A. Erman and Evans Drug Co. and other good druggists everywhere.—Advertisement.

"The Black Butterfly," the title, "The Black Butterfly" for the latest great Metro production in which she will be seen as the star at the Auditorium theatre to-day and tomorrow.

The story of the play, was written by L. Case (Lancelotti). "It is a great play," Mr. Russell said to the star, "but I am not sure it is for a good title."

"I agree with you as to the merits of the play," said Petrova. "Now let us analyze it and see if we cannot select a suitable title. It is a woman who falls in love when she is an innocent girl. She goes to Paris with the man she loves is killed. A dark shadow hangs over her. A test shadow does not dim it, but it is of mind, but beauty, the strength of heart she would be a perfect actress in the world."

"Now what would we call that type of woman?" she is beautiful, she is a butterfly—yes, a black butterfly. What do you think of that for a name, Mr. Russell?"

"It's cheap," exclaimed the author, "that fits the play exactly." And that is now the name came to be chosen.

As an extra feature "A Style Show" will be given tonight and tomorrow night.

"The Blue Paradise"

To indicate that playgoers are keenly interested in the better class of attractions that visit here a line of

has ever left their office, their idea being to make it on a par with those given at a Broadway theatre. This season's offering of the "September Morning Glories" is in two parts under the titles of "The Charity Bazaar" and "He Wanted to Be a Sultan." The first scene occurs at Newport, that exclusive society resort on Narragansett Bay, and the other transports you to the palace of the Sultan in Turkey.

"Stop! Look! Listen!" After you have heard "Stop! Look! Listen!" which is billed as the attraction at the Auditorium theatre for next Tuesday night your very pulse is doing such a jig-jig-jig, it would set to turkey-birding the most staid and sedate of persons. You are sure that the ladies who are traveling the destinies of men are weaving in luscious and that their hearts don't go just snip, snip, snip—but snip! snip! snip! snip! snip!

At the finale of the performance, Irving Berlin, the composer of the music, gives one of his most serious efforts—a rapturous presentation of "My Country." The words of the song are of course, familiar to all, and although different words are used the true words of the song are so well impressed upon all that they naturally follow the music in the minds as they hear the tune.

pective patrons appeared at the box office of the Auditorium theatre this morning when seats were placed on sale for "The Blue Paradise," the gay-acts and most satisfying of Viennese operettas, with the Messrs. Shubert will present on Thursday next. This delightful musical entertainment comes almost directly from a record-breaking run of a solid season in New York City where its receipts at the historic Casino theatre set a new mark for box-office takings on Broadway. The brilliance of its musical score, which teams with seemingly irresistible numbers finely orchestrated together with the appeal and merit of its original story enabled "The Blue Paradise" to captivate exacting metropolitan pleasure seekers in greater numbers and light operatic offerings of recent seasons. Its tour is proving a continuation of the prosperity and popularity that made its New York run noteworthy. The exceptional cast Messrs. Shubert have assembled includes in its ensemble of almost 100 persons such competent artists as Paul Nicholson, Miss Norton, Charles Bowers, Juliette Lange, Gustav Baer, Gypsy Dale, Clara Erickson and Robert Lee Allen and a number of others. There is a large beauty chorus of Broadway singers and dancers and a special orchestra accompanies the organization.

"September Morning Glories." At the Auditorium next Monday I. M. Weingarten will present the all new "September Morning Glories." This firm always known for their excellent musical comedy burlesque productions have positively stopped at nothing this season's production is the best that

She portrays the character of a young Indian girl who has a fine education, but who releases into the customs and beliefs of her race and then falls in love with a white man. The Alhambra theatre takes pleasure in presenting this remarkable attraction to its patrons on Wednesday. The Red Woman" is the latest World picture Brady made.

GEN. How a little girl, reasoning and acting under childish impulse, was able to completely transform a proud and haughty woman into a kindly and understanding foster-mother, will be illustrated in the grand photograph, entitled "Gloriana," which will be shown at the Gaiety theatre on Friday with the Zoe Lane playing the principal role.

MOVIE ACTRESSES AND THEIR HAIR

Did it ever occur to you that every movie actress you have seen has lovely hair, while the most popular count their curls as their chief beauty? In fact, many are leading ladies just because of their attractive locks. Inquiry among them discloses the fact that they bring out all the natural beauty of their hair by careful shampooing, not with any soap or makeshift, but with a simple mixture by putting a teaspoonful of cantharide (which they get from the druggist) in a cup of hot water and applying this instead of soap. This cup of shampoo liquid is enough so it is easy to apply it to all the hair instead of just the top of the head. After its use, the hair dries rapidly with uniform color. Dandruff, excess oil and dirt are dissolved and entirely disappear. The hair is so fluffy that it looks much heavier than it is, while its lustre and softness is delightful.—Adv.

BRAND NEW WAY TO REMOVE HAIRY GROWTHS.

(Actually Removes Roots and Aids)

The vexed question of how to completely banish superfluous hair has been solved at last. By means of the new electrolytic process the hairs, entire, roots and all, come out before your very eyes—easily, harmlessly, quickly as a wink. It is far different from the depilatory electrical and shaving methods, you simply must try it to fully appreciate its remarkable advantages.

Phelactine is perfectly odorless, non-irritating, non-poisonous—a child could use it without the least injury. It leaves the skin so soft, smooth and hairless, no one could tell you ever had a moustache or other hairy growth. It is the only depilatory that is permanent and follows the simple instructions, you will certainly be astonished and delighted with the result.—Druggist will refund the price upon request. Phosphate Gives Wonderful Strength

SPECIALIST TELLS HOW TO DOUBLE STRENGTH AND ENDURANCE.

A great authority on the subject of health, strength and endurance, in explaining the remarkable strength and endurance obtained from the use of the product known among druggists as Bitro-Phosphate, claims it is entirely due to its wonderful nerve-building properties. He says, and it must be admitted that his logic is unanswerable, that, inasmuch as the muscles simply transmit power derived from the nervous system, strong nerves and a big reserve of nervous energy are infinitely more important than big muscles. Bitro-Phosphate not being a stimulant drug, but a food which supplies direct to the brain and nerves the required phosphoric element was first prescribed by physicians with astonishing success in the treatment of neurasthenia, insomnia, nervousness, debility and mental depression. It was soon noticed, however, that, in addition to permanently relieving nervous disorders, it also markedly increased strength and endurance. The amount usually prescribed is one 5-grain tablet with each meal, and in view of its comparative inexpensiveness, those who wish to increase their strength and endurance, as well as those who suffer from nervous disorders, are strongly advised to give it an immediate trial. How He Lost His Finger.

One day after the brakeman had been explaining the scenery one of the passengers whispered to the conductor: "Conductor can you tell me how that brakeman lost his finger? He seems to be a nice fellow."

"That's just it, ma'am. He's so obliging that he just wore his finger off pointing out the scenery along the line."—New York Globe.

Recovering from Operation.

Arthur France who recently underwent an operation for appendicitis was able to be out today for the first time.

Condition Improving.

Miss Lena Bieberbach, of South Fifth street, is recovering satisfactorily from an operation which she underwent at the City Hospital three weeks ago.

Takes New Position.

Roderic Miller, son of Mr. and Mrs. C. W. Miller has taken a position on the fifth floor of the J. J. Carroll store.

Speaks to Personal Workers.

Rev. Dr. Shaddock, of the Brooklyn evangelistic party, addressed a very well attended meeting at the Second Presbyterian church at 7 o'clock Monday evening on the subject of personal work and its importance in connection with the tabernacle work soon to begin in the city. His audience in the main consisted of

those who would be expected to do service in this line. The next address to personal workers will be held at the same church next Monday night, which ought to be well attended.

Overheated Store.

A overheated stove in the Charles Barker building, in Union street near Wilson, burned a hole through the floor and laid the foundation for a destructive fire which was avoided by the prompt discovery of the blaze. The building, is unoccupied except for the room where the fire occurred. The ladder truck from headquarters and the West Newark company extinguished the blaze.

Spellman After Sunday.

Fenwick Clement, former manager of the Conrad grocery in this city, at present employed in the wholesale grocery of Bain Brothers at Boston, Mass., while in New York recently called upon Frank P. Spellman, who will be remembered as having had the Elks Circus here several years ago. Mr. Spellman informed Mr. Clement that he would go on the road with his million dollar motor circus May 14, but did not believe he would play Newark this season. He also said that he had made Billy Sunday an offer of \$2,000 per day to travel and preach with the circus, and that it held good for as many weeks of the summer as Mr. Sunday could arrange.

W. C. T. U. Notice.

The Frances Willard W. C. T. U. will meet on Wednesday afternoon in the Neil Avenue M. E. church.

Police Court.

Two drunks were picked up last night and appeared in police court this morning, being assessed the regular fine of \$5 and the costs. Being unable to liquidate one was returned to the city bastille and the other given an auto patrol ride to the county jail.

Removed to Daughter's Home.

William Vanatta, who was injured in a fall, was removed from his son's home two miles north of Granville to the home of his daughter, Mrs. Clara Seabrook, 494 North Fourth street, Monday evening in the Bradley ambulance.

To Enter Convent.

Miss Mary Bobot, daughter of Mr. and Mrs. C. A. Bobot, 548 Daniels avenue, left today for Lisie, Ill., where she enters the convent of the Order of St. Benedictine.

Men's Meeting Wednesday.

Instead of the regular prayer meeting Wednesday evening at the First M. E. church, there will be a meeting for men only.

Kiddies Get Busy.

John W. Vogel, the minstrel man, has written a brother Elk of the Newark lodge, that his production will be given here at the Auditorium on Saturday, March 31, matinee and night. He invites every Elk who purchases a ticket for the matinee to bring two children with him free of charge as the guests of Mr. Vogel.

SOCIALISTS DEMANDING

DEMOCRACY IN GERMANY

(ASSOCIATED PRESS TELEGRAM) Berlin, Monday, March 19, via London, March 20.—Philipp Scheide- mann, Socialist leader in the reichstag, says in the socialist newspaper Vorwaerts:

It does not require many words to explain why almost the whole world is arrayed against us. The answer is given quickly. The whole world sees among our enemies more or less developed forms of democracy, and in us it sees only Prussians.

"We have always answered by referring to the absorption of Russia, but now Czarism is gone and the emperor's successor is to accept the throne only if the representatives of the people agree. These representatives are to be elected on the basis of universal, equal, direct and secret suffrage."

"Why does the chancellor shrink back from a conditional necessity. Always the hesitator, the procrastinator, Bethmann-Hollweg wants to begin to cure Prussia after the war. Russia also promised all reforms after the war but the war lasted too long for the Russians. Why postpone 'til tomorrow what is absolutely necessary today, what even the king himself declared years ago was one of the most urgent matters of the business of the state? Now is the time for decisive action."

In a different strain the Lokal Anzeiger, one of the newspaper organs closest to Chancellor von Bethmann-Hollweg says:

"A change in the Prussian electoral system has been promised for a year and after the war will be debated and put into practice with all quiet thoroughness. That is no longer news; it is an obvious fact, to demand it for tomorrow and at that in connection with a hymn of jubilation for the Russian revolution, is so pre carious a venture that it must be rejected. It is certain that minister President von Bethmann-Hollweg intended so much result from his last speech."

French Planes Drop

BOMBS ON FRANKFORT

Amsterdam, March 20. Via London.—A telegram received here from Frankfort-On-The-Main, says that on March 16 a hostile airplane flew over the town and dropped six small bombs, one of which slightly damaged the roof of a house. The others fell in the river or in fields and caused no damage. The airplane was fired on by anti-aircraft guns.

The French war office announced on Saturday that Frankfort-On-The-Main, had been bombarded by a French airplane in reprisal for the setting afire of Bapaume.

GROCER RETIRES WITH A MILLION

Michael Dwyer.

Back in 1870 Michael Dwyer, who had been working as a laborer, decided to embark in business. He chose groceries as his line and opened a store on Webster avenue, Pittsburgh, Pa. A few days ago he put on his hat and coat and bade farewell to the grocery business forever. He had amassed a fortune of \$1,000,000.

HIGH SCHOOL MINSTREL

SEATS ARE GRABBED UP;

FEW FOR THURSDAY LEFT

The tickets for the high school minstrel show which will be given on Thursday and Friday nights of this week, went on sale Monday at Erman's drug store. The Arcade was thronged with those anxious to make reservation, and only a few seats are left for the Friday night show, but a couple of hundred are left for Thursday night. However, a complete sell out is expected.

The show is to be produced under the direction of Prof. C. W. Klopp, musical director of the schools, and a matinee performance for the school children will be given Thursday afternoon at 3:30 o'clock.

Dress-Up Week March 23 to 31

Plan to join this nationwide "Dress-Up" Spring is here. Get out into the sunshine and spirit of the occasion. It's time to lay aside the sombre heavier clothes of winter. All over the land Americans will be answering the call of "Dress-Up" this next week, and its week of all weeks, when the most complete and beautiful assortments of suits, coats, skirts, dresses and blouses that Fashion has brought forth for the Spring season are being shown.

Wednesday Only A Manufacturer's Display Of Fine Skirts For Spring and Summer

We will have on display all day tomorrow an unusually handsome line of the newest things of the season. In this showing will be silk skirts in all the latest styles and materials. Wash skirts in plain and fancy materials.

If you desire to select from these models, your measurements will be taken, and the order promptly filled by the factory.

THIS DISPLAY IS FOR WEDNESDAY ONLY.

Spring Coats Are Marvelously Smart

Never were coats so beautiful as now, and many clever new ideas are introduced. To the women who wish to be strictly in the fashion, and yet not "uniformed," our early showing of all the new spring models will be a source of delight. In fabrics, in colorings, in designs, one delightful surprise succeeds another. It's very interesting to see pictures of the styles, but it's a great deal more interesting—and more satisfactory—to see the new style garments themselves—to see yourself in them, to find out which styles are most becoming to you. We invite you to come in this week and see many new models. There's a great variety of distinctive garments here—all correct and all beautiful. Among the many beautiful materials here are black satin, puppy skin taffeta, gros-de-longue silk. Among the wool fabrics are your boleros, lupin, burella, handsome novelties, gold, apple green, beet, begonia-taupe, and rookie are only a few of the glad some new shades created for spring.

A Splendid Showing of Coats \$15.00, \$18.00 and \$20.00

Models showing all the new style features—such as the large collars, odd shaped pockets, novel belt and button trimmings. Materials are wool Jersey, covert, serge, whipcord, fine poplins, etc., as well as handsome novelty fabrics.

Commissioners' Office.

Commissioners Frank R. Dumm and Jos. H. Orr have been on the sick list for several days suffering with threatened cases of grip. The gentlemen caught cold while on a ditch inspection during the recent sleet storm. Clerk Ben "Pop Greer" Jones is convalescing from a severe cold and Commissioner Orville Kiger is busy with County Engineer John Swartz in going over the plans for a private hospital for county officials. All of the above gentlemen were able to be at their office for a short time today.

Justice Scott's Court.

William A. Cunningham has filed an affidavit in the justice court of Fletcher S. Scott against Isaac Dorsey, charging that the latter has failed to provide for his father, Clement Dorsey, since Nov. 1, 1916, the latter being 77 years of age. The affidavit states that defendant has not provided a home, food or cloth-

ing, contrary to the statutes. The hearing has been set for Friday afternoon at one o'clock.

Divorce Petition.

Charles E. Trace has filed a petition for divorce in common pleas court against Cecile E. Trace. They were married Sept. 14, 1915, and are the parents of one child, aged eight months. The petition alleges that the defendant abandoned plaintiff March 14, 1917, stating that she would never return and live with him as his wife. A number of other allegations are also made. Plaintiff asks for a divorce and all relief to which he may be entitled.

Marriage Licenses.

Frank Johnson, a chauffeur of Columbus, O., and Miss Audrey Jolly, both of this city. Rev. L. C. Sparks. Pleasant Dale Herran, a lineman of Youngstown, O., and Miss Claude Thorp, of this city. Rev. M. R. White.

Transferred to Columbus.

David Wilbur Sorrell, convicted about a year ago of complicity in the murder of Patrolman Walter Boscowan, and sentenced to the Mansfield reformatory, has been transferred from that institution to the Ohio penitentiary at Columbus.

HOLLAND MAY CLOSE PORTS TO ARMED SHIPS

(Associated Press Telegram)

The Hague, March 17, via London, March 20.—(Delayed.)—Government officials are hard at work on the thorny problem of the admission of armed merchantmen to Dutch ports, but no official statement as to Holland's attitude was obtainable today. It is understood that so far there is no divergence from the standpoint laid down in the neutrality proclamation of August, 1914, by which all belligerent warships of their equivalents are barred from Dutch ports.

American armed merchantmen as well as American warships would be freely admitted to Dutch ports as long as a state of war did not exist between the United States and Germany. In the event of war being declared the attitude of the Dutch government is still problematical.

Trouble seems to be a mighty poor dodger when a man is looking for it.

Kaiser's Troops Devastate Country Before Abandoning Ground Held For Two Years

(Staff Correspondent of the Associated Press.) British Headquarters in France, March 19, via London, March 20.—On the wreck of the Hotel de Ville, at Peronne, the Germans before evacuating the city painted a large sign. This when translated into English reads: "Don't be cross; only wonder." The meaning of this bit of parting irony was only too apparent on all sides. Peronne lies smoldering ruin. The picture is most abject. Some sections of the city have been damaged by shell fire, but everywhere else there is evidence of carefully designed destruction by the garrison before retiring.

Some fine old residences which, because of their outlying location, had escaped both shell and torch, had been wrecked inside, top to bottom. Many of them apparently had been used for the messes of officers and men. All bear evidence of the parting orgies. Furniture, mirrors, crockery and pictures have been shattered and the mantle pieces smashed. In some of them were found pick axes that had been used as the wrecking tools. The dining saloons, mirrors and windows evidently had been smashed with rhine wine bottles, which were strewn about in scores.

The deliberate character of the destruction wrought by the Germans before their withdrawal from Peronne is plainly evident in the once beautiful avenue of trees leading to the railway station. These trees were untouched by shell fire but each one was hacked in two with axes and the gashes and chips show that the work was done within the last few days. The beautiful gardens of the outlying houses were also wrecked and every fruit tree within several miles of the town was sawed two thirds of the way through and then broken down.

The correspondent of the Associated Press was among the first visitors to Peronne in the wake of the English troops, who have now swept well beyond that place. It was necessary to pass through half a score of ruined villages which only a few days ago were within the zone of intense artillery fire, before reaching the banks of the Somme. Crossing that stream on a improvised bridge and trudging through Halle, Peronne was reached over a road which had been reconstructed within 24-hours over succeeding rows of German trenches and through recurring of rusted barbed wire, some of these being at least six-feet in height and 50-feet in width.

In the outskirts of the city English Tommies were encountered wearing

"pickle" helmets and grinning from ear to ear. In the great square of Peronne, which is surrounded by melancholy ruins, was the British lieutenant who led the first patrol into the city. He was mounted on a splendid little German pony which he had captured with its full equipment.

There was a ghostly silence in most sections of the city. No sound of war was to be heard except once when a prying German airplane scudded over in the shelter of the high clouds and anti-air guns opened fire, driving him to quick retreat. British officers pointed out building after building where apparently the total damage had resulted from interior explosions. In many cases walls, facing away from the line of British and French fire, had great squares blown through them, differing strikingly from the round holes made in other buildings by shells. The beautiful old sixteenth century church of Saint Jean was a pitiful mass of ruins, but one of its old paintings still hung on a bit of wall in the transept and was miraculously untouched. The statue of Catherine Devoux which had adorned the great square, had been taken away by the Germans and a gaudily clad dummy left in its stead.

The railway station was completely wrecked including the tracks and crossing bridges. German signs had been substituted and on a bulletin board was a time table of trains for Lille, Munich and other points within the German line. The Germans left many relics behind to show their occupancy of the French military barracks. In some of the rooms Christmas trees, easily decorated with tinsel, were still standing. It was strange to find in some of the shattered and partly burned houses remnants of children's toys, including doll carriages and bits of dolls themselves. These toys had been left behind with all other household belongings when the French inhabitants first fled before the German invaders. In some of the finer residences the libraries had been wrecked, the books torn in pieces and scattered in the streets.

The Germans had left several foot bridges across the Somme which were apparently intact but on closer examination showed that false sections had been inserted which gave way at the first foot pressure. The correspondent investigating one of these bridges too closely, had an icy bath in the Somme. On the walls of the city there were many printed proclamations to the soldiers including the entire text of some of Chancellor Von Bethmann Hollweg's latter addresses in the reichstag.

congratulations from his many friends and acquaintances for his decision.

Beta Theta Pi entertained with an informal party on Saturday evening. After a number of games, light refreshments were served to the following guests: The Misses Ethel Brillhart, Edith Wilson, Ruth Eldridge, Katherine Wood, Mary MacDonald, Olive Hunt, Helen Ray, Pauline Ireland, Gertrude Wycoff, Marjory Lockman, Sara Taylor and Lillian Eldridge.

Week-end guests at the Beta house over the 18th included Dave Reese, George Roudybush and Nelson Rupp of Cincinnati, who came to Granville to take part in the Denison-Harrison game.

Doane Academy students were delightfully entertained on Saturday evening with a St. Patrick's Day party in Cleveland hall. A large number of boys and girls enjoyed the festivities which included games, music and the serving of refreshments.

The Granville Public Library Board has been working out some new plans for the benefit of this popular and growing institution. Messrs. Austin and Case have offered a photoplay benefit in the Opera House to be given when a feature and a date mutually agreeable can be decided upon. During the past month several valuable and greatly appreciated gifts have been received at the library. Prof. W. H. Johnson gave five books; Miss Caroline Stevens, one; Mrs. J. E. McGaw, one; Mrs. Frank Owen, one; and the new author well known to many Granville people, has sent two of his new books, "The New Pacific" and "Retrospect."

Granville visitors in Los Angeles this winter were recently entertained at the beautiful and spacious home of Mr. and Mrs. C. W. Dorsey in St. Andrews Place. Luncheon was served at noon to Mr. and Mrs. C. W. Dorsey, their parents, Mr. and Mrs. E. J. Dorsey, Mrs. R. S. Colwell, Miss Rosa Kerr, Mrs. Clara Newton, Mrs. Storms, Mrs. Walter Kier, Mrs. W. W. Geach, Mrs. Josephine Wright, Mrs. Sadie James and daughter, Mrs. Canterbury, Mrs. Saine and daughter, Miss Carrie Saine, Mrs. Elizabeth Spellman, Misses Isabel Raymond, Mary McKibben, Mayme Geach, Martha Geach, and Bess Howe.

The Denison Commons club has secured two houses on the college campus at the head of Mulberry street, which they will occupy immediately after the spring vacation. One of them will be used exclusively as the dining room of the organization. Six new members, including

Dr. Charles E. Baker of Washington, D. C., was in Granville over Sunday, visiting his daughter, who is a student in Denison.

A former Granville boy has responded to the call for preparedness. Oscar Shuttis, son of Mr. and Mrs. H. C. Shuttis of North Granger street, at one time employed in the meat market of F. J. Seigle, but recently in business in Detroit, Mich., has enlisted in the medical corps of the United States navy and will leave some time this week for Chicago, where he will enter a naval college. This is an honorable calling, and just at this crisis in the nation's history, Mr. Shuttis deserves and is receiving best wishes and

Dr. Latourette and Dr. Wiley, have recently joined the club.

The Denison Student Government at a meeting held last week, voted to put "tussing" at the "varsity games, under the ban, beginning with the opening of the school year 1917-18. The new regulation however will not prevent Sheperdson College students from attending the "varsity games, for by special arrangements of the Athletic Association, they may procure tickets at the usual stipend, a portion of the money thus received to be turned back into the treasury of the Sheperdson Athletic Association. "Next year with the men massed on one side to do the cheering, and the women of Sheperdson seated together on the opposite side, should witness a return of old Denison pap and spirit."

Mrs. Richard Colwell returned yesterday from a two months' visit in Los Angeles, Calif., land of sunshine and flowers in the midst of a driving snow storm.

The Sheperdson Glee club of over 30 members, is about ready to offer one of the best programs prepared by the club in years. The voices have been carefully chosen, and the selections varied as much as possible from those of preceding years, March 24, in Recital Hall.

Miss Juliet Barker, a Denison junior, is featured in the current number of the Denisonian, in the "Who is Who" column. This appreciation of Miss Barker's efficiency and versatility, bears the hall mark of sincerity.

ROBERT SWINGLE WINS HONORS AT WITTENBERG

Robert Swingle of this city, who is a freshman at Wittenberg college, recently won honors as a member of the debating team of the school.

He was a member of the winning team of the Inter-Society debate held at the College March 16, and received the highest number of points given by the judges. Mr. Swingle was a member of the Newark High School debating team for two years.

The question for debate was "Resolved, That the government should regulate the hours and wages of labor on interstate railroads." Mr. Swingle's team presented the affirmative side of the debate.

RETURNS TO WORK; KILLED.

Dover, O., March 20.—T. H. Burgess, a B. and O. brakeman, fell from his train here yesterday and was instantly killed. Burgess was among the railroad employees who went out on strike Saturday night, when they failed to receive official notification that the strike had been postponed. He was on his first run after returning to work when the accident happened. Burgess' home was at Holloway.

SEIZES HER OWN CHILD.

Butler, March 20.—Mrs. Lee Bowman, who is defendant in a divorce suit in the Richland county courts, came here from Toledo yesterday and took possession of her daughter, taking the child to Toledo, it is alleged. The little girl, who has been in the custody of Mr. Bowman, was at school when Mrs. Bowman got her.

Unfortunately a bore isn't mechanical. When he gets wound up he doesn't go.

A Personal Chat With You

I am going to use this space quite frequently, from now on, to chat with our hundreds and thousands of friends and customers. It's impossible to see and talk to each one personally, so I have given the ad man instructions to reserve a part of our space, every two, often for these personal talks and I intend to tell you in the printed word exactly what I would say if I should personally talk to you.

No doubt, the upmost thought in your mind now is the completion of your new Spring wardrobe. You are interested in stylish, well tailored garments, at prices that keep within a moderate range. After spending a part of yesterday afternoon in the Ready-to-Wear section, I cannot help but feel that our buyers have assembled together the most attractive display of Spring garments we have ever shown. My enthusiasm is too great to be restrained, and as I know you will be just as enthusiastic as I am, I desire to personally ask you to come in and view these beautiful new models.

From the many compliments paid the showing yesterday, by the dozens of women who thronged the department, I am quite sure that you have a pleasant surprise awaiting you.
